# Daily Task Log

## Instructions

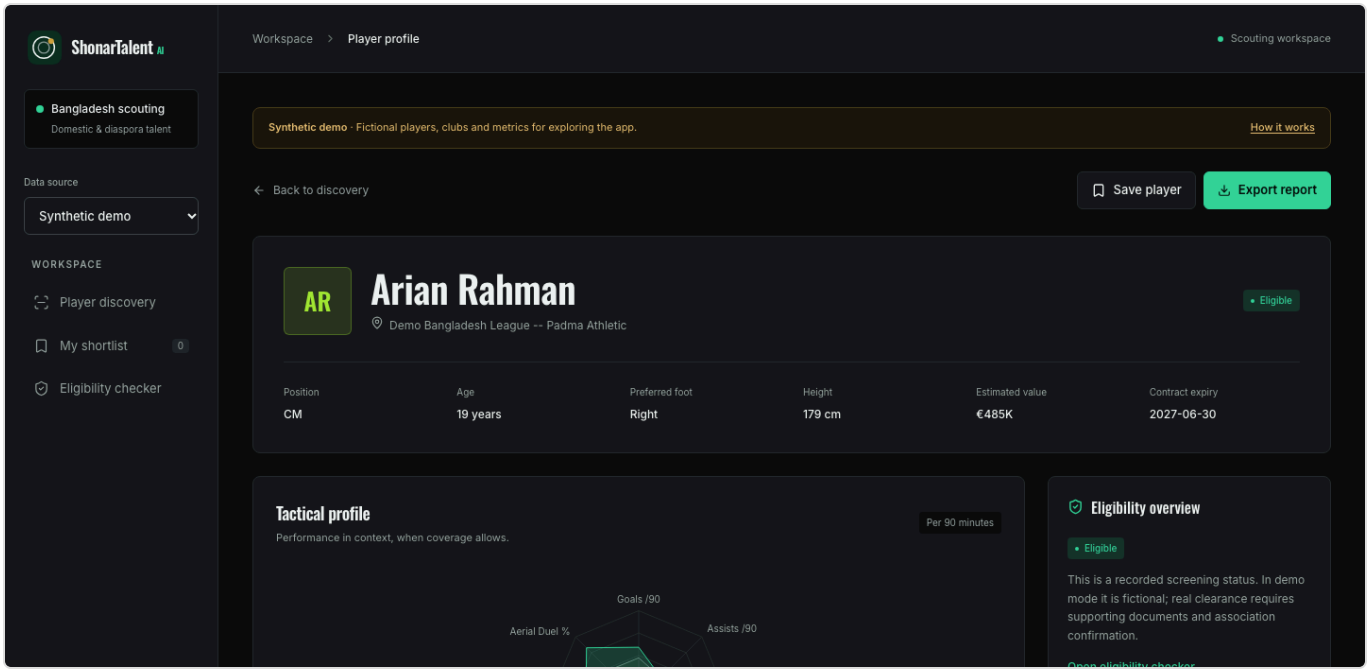

1. Update this document at the end of each workday (or start of the day for planned tasks).
2. Update the date with current date
3. Clearly highlight any blockers or questions needing attention.
4. Keep entries brief, clear, and actionable.

## Daily Log

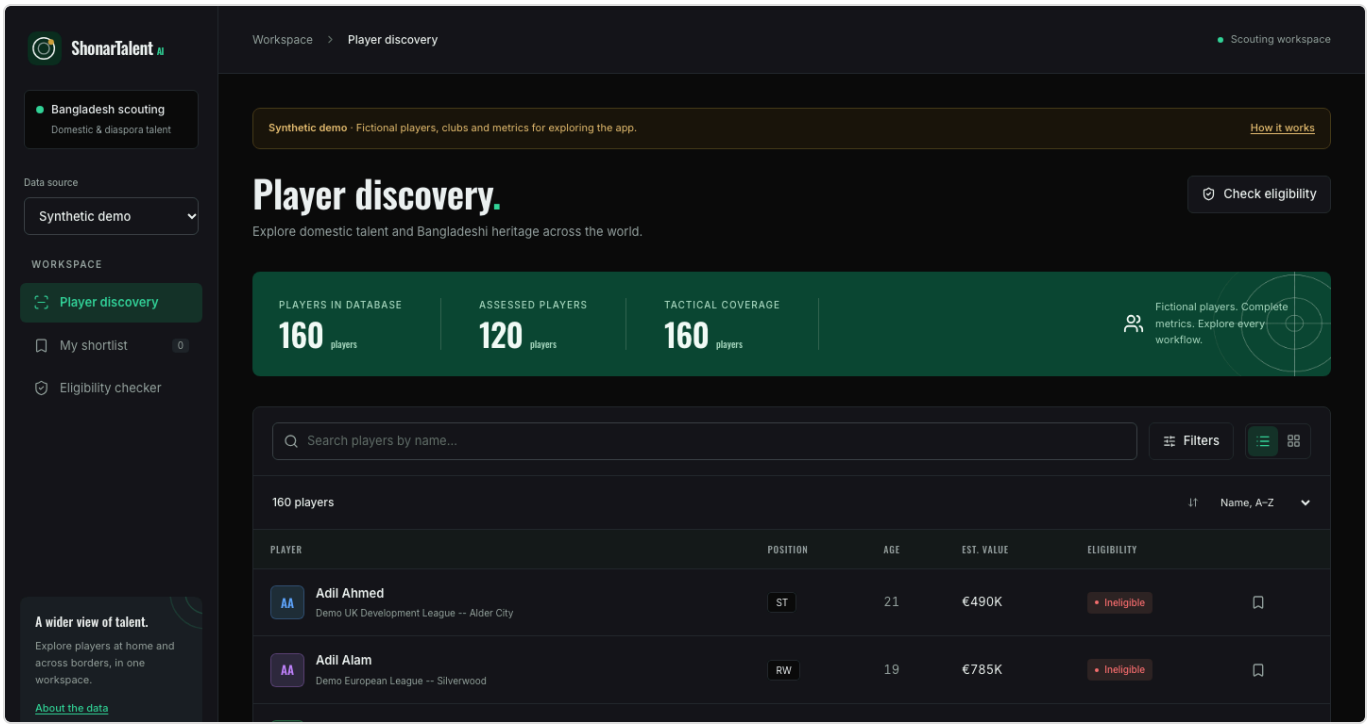

### Date: `Oct 30, 2026`

- **Tasks Completed Today:**
  - Task 1 - Added more stats for each player, like shots, passes, and minutes played.
  - Task 2 - Changed the look of the whole website to a new dark theme.
- **In Progress / Planned for Tomorrow:**
  - Task 1 - Check that every page still works correctly after the changes.
- **Blockers / Questions:**
  - None right now.
- **Notes & Key Learnings:**
  - Small details like colors and fonts make the app look far more professional.
